Seawater-cooled Chillers - Ocean Breeze Mfd. by Quorum Marine & Electronics, Inc.

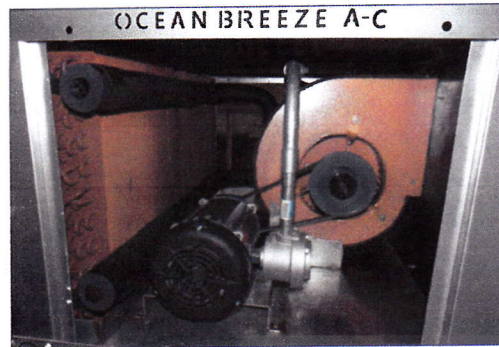

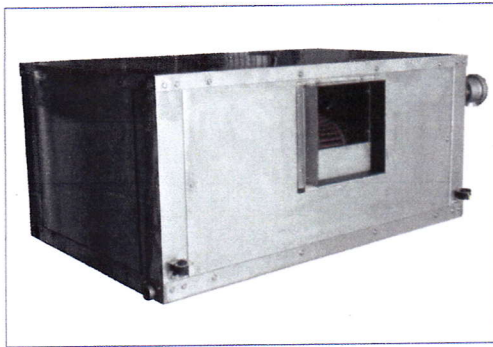

for Naval and Ship Applications Up to 500 Ton

Chillers that are 40 ton and up use the energy-efficient Bitzer CSW series semi-hermetic compact screw compressor technology.

Complete Certified Testing of Mechanical, Electrical, and Full-load Operation.

		
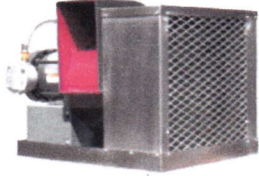

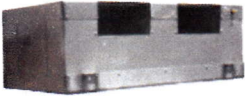

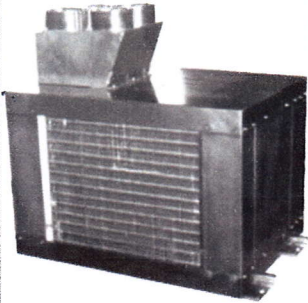

12,000 to 42,000 BTU Chiller	48,000 to 96,000 BTU Chiller	1.5 to 3 Ton Seawater-cooled Chiller with Titanium Evaporator
		
4 to 7 Ton Chiller Up to 72,000 BTU	8 to 15 Ton Chiller Up to 180,000 BTU	12 to 15 Ton Chiller with Manifold
		
5 Ton Dual Compressor Chiller	30 Ton Dual Compressor Chiller	10 Ton to 75 Ton Semi-hermetic Chiller
		

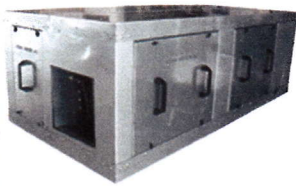

Marine and Industrial Fan Coil Units - Ocean Breeze Mfd. by Quorum Marine & Electronics, Inc.

This is an example of an 6 TON (72,000 BTU) [Explosion Proof Fan Coil Unit](#).

6,000 - 18,000 BTU Fan Coils		
		
16,000 BTU Fan Coil	16,000 BTU Single Blower	18,000 BTU Blow Through Fan Coil

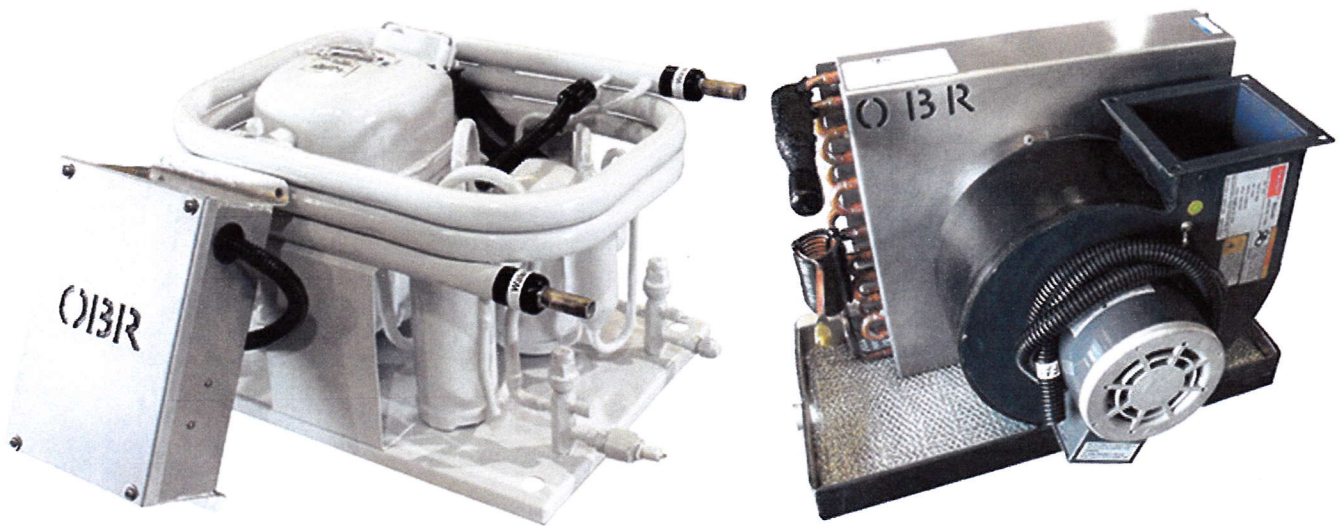

20,000 - 96,000 BTU Fan Coils		
		
Explosion Proof Fan Coil	32,000 BTU Dual Blower	16k to 36k BTU Fan Coil Top Discharge
		
36,000 BTU Fan Coil	60,000 BTU Quad Blower	36k to 96k BTU Fan Coil Side Discharge

120,000 - 500,000 BTU Fan Coils		
		
120,000 BTU Dual Blower Fan Coil	Make-up Fancoil Unit up to 240,000 BTU	Make-up Fancoil Unit up to 500,000 BTU
